Celebrate springtime with our fifth annual garden and outdoor living juried show and sale. All pieces in the show celebrate the new season and the revival of the flora and fauna. Examples: Handmade birdhouses, planters, outdoor living furniture, stepping stones, flower pots, bird baths, water fountains, bird feeders, garden paintings; the theme is specific but open to creativity!

Jurors will receive and select our gallery applicants for the show. After this selection process, we will notify each artist as to whether they were selected. Contracts will be sent out at that time and the return of that contract will seal the show. Any changes, adjustments to dates etc., must be made prior to signing the contract.

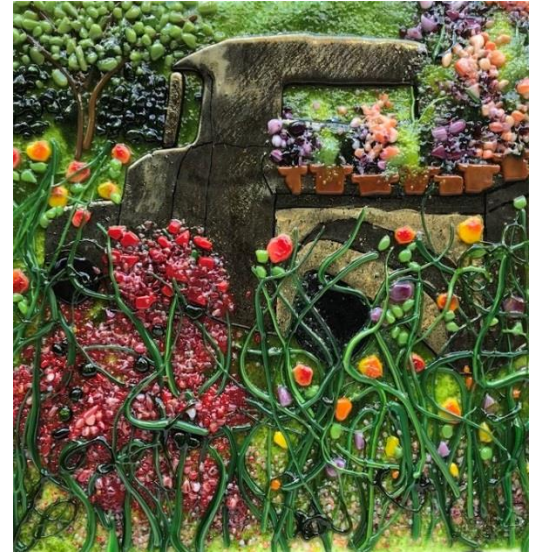

The Art Place-Mt. View is a Cobb County Parks, Recreation and Cultural Affairs Facility. Cobb County carries neither liability insurance nor accepts responsibility for artwork lost or damaged. MVAA receives 20% of each sale for the benefit of the facility and the artists retains the remaining 80%. Checks from MVAA will be mailed within 30 days of exhibit closing. Payments will not be reported, nor taxes withheld, on your W-2 and each artist is responsible for reporting to the appropriate governmental agencies.
